Our reputation was built on our skills as advocates.

We are experienced.

We regularly appear in superior and appellate courts throughout Atlantic Canada. We have argued before federal courts and the Supreme Court of Canada.

We are client focused.

We work to understand your needs and objectives to resolve any dispute, whether through litigation, mediation or arbitration. We will develop and execute a strategy in line with your goals.

Our Services

We have worked with clients to resolve disputes related to a wide range of subjects, including construction, business transactions, securities, products liability, professional regulation, insurance and many others.

We provide services in French and English.
